Dear Nili, how are you?

I was so, so, happy with the words Ehud wrote for my 50th birthday...Thank you for that so much. Hedine's book, were she was able to summarize all my life so far, friends, places, was the best gift I have ever received and your letter is a very important piece...

We wanted to invite you, whenever you want to come, to Dos Lagos again. You deserve less wind and sunny days as we usually have. Please, Please keep this invitation in mind. And if you want to bring some family or friends you are super welcome to do so.

A big hug from Uruguay, mul ha yam, hearing Idan Raichel...

Best

Alberto
